OUR GINS

Bloom Gin

This innovative gin with four pot-still distillations, heir to the London tradition, is a Premium London Dry Gin where the knowledge of the harmony of botanicals and the great sensitivity of its Master Distiller, Joanne Moore, can be appreciated.

Opihr Gin

Opihr Oriental Spiced Gin is a full-bodied, spice-rich gin with an intense flavour: spicy notes alternate with bursts of citrus, its aromas lingering smoothly on the palate.

Brockmans Gin

Brockmans stands out for strong floral aromas of blueberries, blackberries and citrus with a slightly spicy base. Visually, the spirit is transparent and shiny in colour. The nose is dominated by fruity notes of blueberry, cassis, raspberry or blackberry as well as light citrus notes.

Silent Pool Gin

This gin combines 24 pressed or macerated botanicals including Bosnian juniper, Bulgarian angelica, honey and Melegueta pepper or Grain of Paradise. The creation of Silent Pool Gin takes years of trials, blending, testing and experimentation to create a special distillate bottled in a unique edition.

**2 Single Premium
Gin & Tonic**
